The Borchelt's were from Sundern, a village just outside of Engter, which is part of a township that consists of Schleptrup, Evinghausen, Kalkkeiese and Engter. They lived in the house Schmetthorst located in Schleptrup. Sundern is part of Schleptrup. It is approximately 16 km north of Osnabrück in Staadt, Lappenstuhl. Johann was a carpenter just as his father.

Locations of Engter and Sundern in Germany

Below is an aerial-view of the village of Engter. The City is 774 years old. Next to it is the Evangelical Lutheran Kirche (Church) located in Engter. This was the seat of worship for the Borchelt families. It was built in 1229.

Many of the German people came to America to seek freedom and a better life after Napoleon, in the 1800's, had all of Europe anxious and distressed because of war, poverty, and sickness. Political problems and high taxes, which were used to support the armies and the lives of the wealthy people, also contributed to the German people wanting to come to America. They also may have immigrated because of the forced unification of the Lutheran and Reformed churches in Prussia. In 1817 King Friedrich Wilhelm III of Prussia pronounced that there would be only one evangelical Christian congregation at his court-Lutherans and Reformed would no longer be allowed to have separate gatherings. In 1830 he issued an ultimatum that "evangelical" replace Lutheran and Reformed, and finally in 1834 he mandated use of a common worship service for all of Prussia. Also In 1830 the summers were cold and wet. For extra money the farmers would work in the flax fields. The flax crops for which linens were made failed three years in a row, this caused loss of jobs and extra income. In fact from 1830 to 1840 they numbered over 152,000 Germans that came to America.

Ships of that day were poorly maintained. They could be cargo ships that carried cargo to Europe and did not want to return to America empty. The passengers either had to take their own bed for use on board ship or were assigned to a berth that was located in the large compartments that accommodated as many as 300 or more persons each. The Borchelts traveled on a wooden sail ship and it took them some time to get to America. No agricultural implements were to be transported as the ones used in the United States differed from those employed in Germany. The journey could take close to sixty days to travel to the United States.

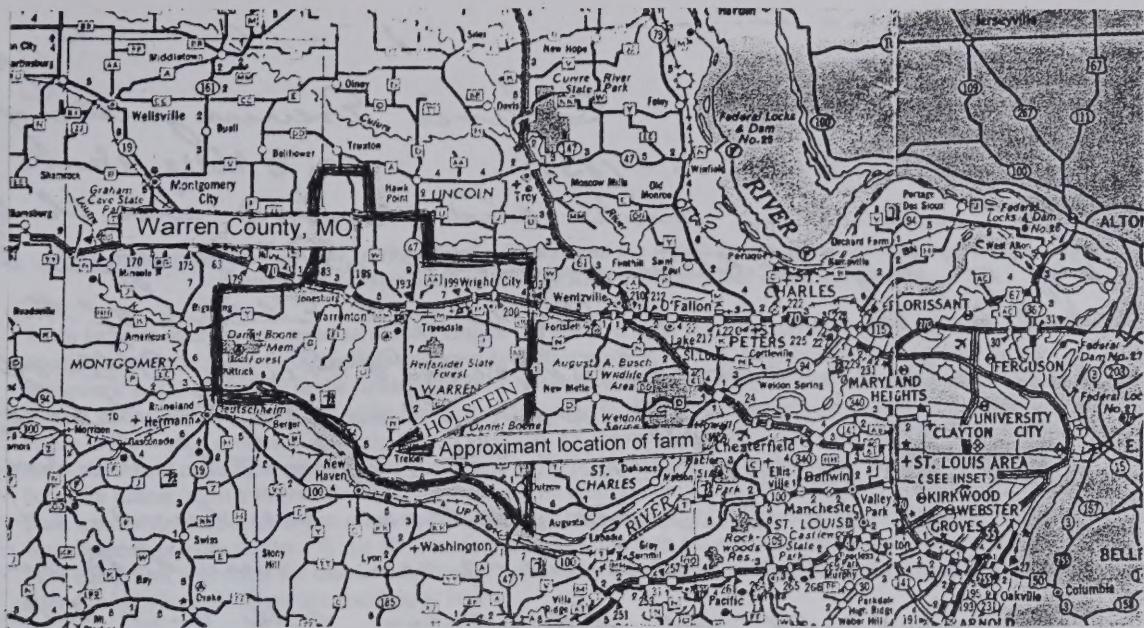

Before Warren County was established, Gottfried Duden lived along Lake Creek from the fall of 1824 to the spring of 1827. He spent nearly a year in the region of country embraced in the counties of St. Charles, Warren and Montgomery, traveling under the guidance of Daniel M. Boone, and others, whom he paid liberally for their services. Gottfried Duden wrote a book entitled "Berichtueber eine Reise nach den Westlichen Staaten Nord Amerikas", which has been called "the most important piece of literature in the history of German immigration". Greatly due to Duden's book and the letters of his traveling companion, Lewis Eversmann sent to Germany, the new state of Missouri became alluring to the German people. They were attracted by stories of cheap land, available jobs, low taxes, and political and religious freedom.

In a few years, the effect of his writings began to be manifest by the arrival of German immigrants, preceded by a few educated and wealthy men who came in advance to prepare the way for them. Each family had a copy of Duden's book, and so accurate were his descriptions of places and names, that they knew the farms and the names of their owners as they came to them. The Americans rejoiced at their coming, and extended to them a hearty welcome, for they brought with them money, which the country greatly needed just at that time, bought lands, and proved to be honest, industrious, thrifty citizens. They also introduced the mechanical arts of an older country, and manufactured many useful articles that had before been unknown to the Americans.

The Borchelt's arrived in New Orleans sometime around 1835. John Henry Borchelt was 14 years old and unmarried. On arrival in New Orleans supplies were needed for the trip up the Mississippi. Coffee was 3 1/2 cents a pound; butter 24-32 1/2 cents, tea, 37 1/2 cents; sugar 7 cents; flour \$8.50 a barrel; beer, \$10 keg; wine, \$25 a cask. The wine was used to mix with the river water that they would have to drink on their way up the Mississippi. It took approximately five days to sail up the Mississippi to Missouri. This of course depended on the condition of the river, as when it was low, traveling took much longer. It sometimes took three weeks.

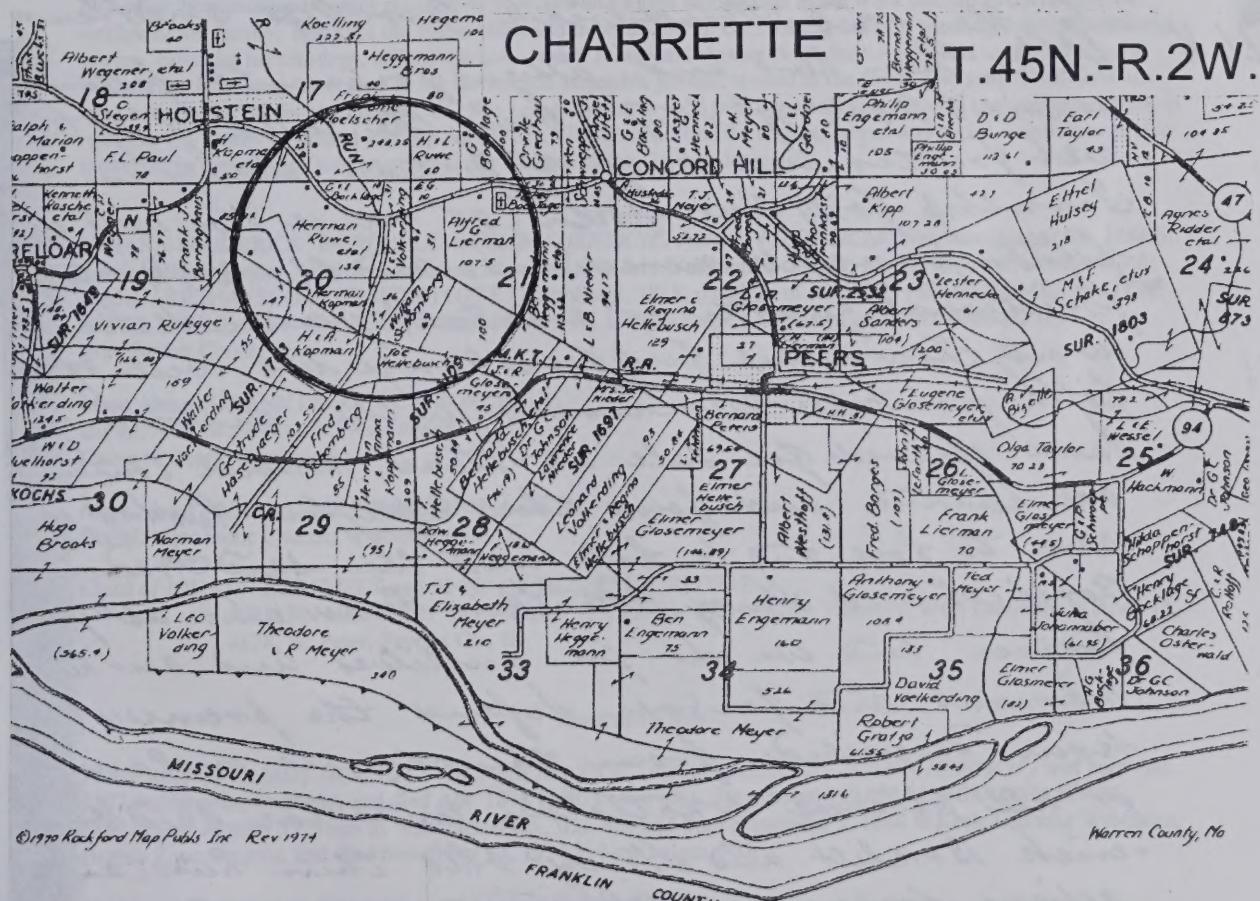

It is surmised that the Borchelt's traveled up the Mississippi River via a steamboat to Warren County, Charrett Township, MO where they purchased 104 acres of land on August 16, 1835 for \$600. (E1/2 of W fractional 1/2 of S20 T45 N of R2 W; and NW fractional Q of SE Q S20 T45 R2 W. Rec 16 August 1835) His wife's brother's name, Henry Otte (Atte) was also on the deed. They purchased the land from William Toppe and Rudolph Ebling. The land was close to Holstein, MO. Johann Friedrich Borchelt was 51 years old.

Warren County was formed from Montgomery County on the 5<sup>th</sup> of January 1833. Charette Township is named after a French settlement founded in 1766. It was in southern Warren County that Colonel Daniel Boone settled with his family. The Booneslick Trail crossed Warren County. By 1819 the first stage line was established. An average of 20 wagons and carriages used the trail on a weekly basis. This trail was the most traveled road in Missouri in the mid 1800's. The trail was immensely important as a connecting route between St. Louis, the gateway to the west, and great Santa Fe and other Oregon Trails that led to California and Oregon.

*What was the average day like in the life of a farmer and his wife? It was described in a booklet "German Settlement in Missouri" written by Robyn Burnett and Ken Luebbering.*

When hay was ready to cut, men started working in the fields as soon as it was daylight. His wife had to get up early enough to milk the cows, feed chickens and have breakfast ready at 4 A.M. After breakfast she would do her housework and then go help in the fields. She took her baby with her, putting her down in the shade of a stack of wheat. She would help pitch hay while her husband stacked it. She would stop at times to nurse the baby and then return to her work. Around 9 A.M. she would go home, fix the morning lunch and bring it to the field. Around 11 A.M. she would collect the empty lunch dishes and go home to prepare the main meal of the day. The men took 2 hours for dinner, mostly to rest the horses, but she got no rest. By the time she looked after the baby, washed the dishes and prepared the afternoon meal, it was time to go back to the field. She worked in the field until dark and then went home to prepare supper. While she was fixing supper, the men fed and watered the animals and made sure the farm equipment was ready for use the next day. She had to wash dishes again, get things ready for breakfast and attend to baby's need. Then she could go to bed.

A German housewife was never plagued by boredom and found satisfaction in the work she did every day for the welfare of her family. She kept the house clean and in order, did all the cooking, baking, washing, knitting, mending, sewing, cared for her children, milked the cows, made butter and cheese, dried fruit, made jam, canned fruits and vegetables, made soap, took care of the flower and vegetable garden, tended to the fowls, and some even wove the most necessary cloth for the household. She helped preserve food traditions and folk customs that were important in retaining the family's cultural identity for so long. Their support of the church, school and social activities was also important in preserving German cultural life and use of the German language.

JOHANN FREDERICK<sup>3</sup> BORCHELT (*JOHANN HENRICH<sup>2</sup>, JOHANN HEINRICH<sup>1</sup>*) was born August 31, 1784 in Sundern, Near Engter, Germany, and died March 11, 1844 in Washington County, IL. JOHANN HEINRICH BORCHELT 1821-1878  
ANNA MARIA SCHMALGENDERD 1828-1906

Washington County located in Illinois

Washington County

When the white man came to Southern Illinois, this area was the home of the Illini Indians. The last resident Indians were removed to Oklahoma in the 1830's. In 1837 the first Low German emigrants from north Germany came to Venedy and Hoyleton Townships. They came by boat to New Orleans and then up the Mississippi to St. Louis.

The Schmalgengerd's immigrated to America in 1837 having Johannesburg, Illinois as their destination. Anna Marie came from a family of nine children. Her one brother was killed when his horse ran away and threw him onto a rail fence, where he was found a short time later. Anna Marie had a sister named Angelica who married a Charles Tegeler. Anna Marie's father either died aboard ship or shortly after coming to the States. However, a short while after being in the states Anna Maria's mother married a Mr. Schumacher. Mrs. Schumacher died in 1845 when Anna Marie was 11 and she had to take over the household duties. At the age of fourteen Anna Marie went to work in St. Louis, MO. She only carried with her a small knapsack containing all her possessions.

The Independent Evangelical Lutheran St. Johannes Congregation was organized in 1837. The first church building was built of logs; it also served as a schoolhouse where children were taught Christian religion in the German language. The first church "Die Gemeinde an der Elkhorn Prairie" installed Ottomar Fuerbringer August 23, 1840. In 1842 doctrinal controversy, possibly related to hymnals, within that first congregation prompted the pastor and six families to form "Die Evangelische Lutherische Kirche St. Salvator" on September 20, 1842, up on "the Hill," the area now occupied by the town of Venedy. In 1857, August 16<sup>th</sup>, due to difficult and uncertain travel conditions a group of rural folk decided to begin a new congregation, St. Peters, and purchased five acres of land from Fred Lehre. It was located in St. Petersburg, Elkhorn Prairie. It also was located very close to the properties of the Borchelt's. (See map pg 6) The first worship service and Sunday school class was held in a log house moved to the church property from the Wolf farm.

The "Old Stone Church" or St. Peter's UCC was erected in 1858 as a permanent house of worship. A steeple was added on in 1873.

According to church records the Schmalgengerd's were members of St. Salvators and the Borchelt's were members of St. John's and then St. Peters.

Johann Heinrich Borchelt was 23 years old when he married Anna Marie Schmalgengerd, who was 16, on October 10, 1844. They are recorded in the Washington County, IL Marriage Register.

According to land records Johann Friederick Borchelt purchased eighty acres of land in 1840 for one hundred dollars. The U.S. Government was selling land for \$1.25 an acre in 1840. Land was purchased in Washington County in 1847. Johana Heinrich Jr., Anna Marie, and her two brothers sold land to a Mr. Lipman to settle an estate. 40 acres of land was purchased by Johann Heinrich in 1852. He also purchased one small acreage at a sheriff's tax sale on the courthouse steps in Nashville. Johann Heinrich purchased land in 1844, the year he was married. These properties were across from each other.

Johann Heinrich Borchelt served as County Treasurer and was appointed to the position on December 14, 1861. He served as treasurer until 1865.

In all Henry and Anna had 13 children. All but the last two were born in Elkhorn Prairie, Illinois. Five of them died at an early age. John and Anna's first child, John Frederick died of summer sickness at the age of 1 year 7 months. Their fourth child, John Charles died at the age of 5 months of dysentery. Anna Marie, their fifth child died at the age of 2 years, 10 months. John Louis, the seventh child died in 6 months. Ernst Henry, their last child died at the age of 3 days.

Johann Friederich and Anna Marie Otte died in Washington County and were buried along with their four children in the cemetery near Stone Church. All the grave markers are so aged that it is impossible to read them except for one, John Louis Borchelt.

**JOHN HEINRICH BORCHELT, Jr.      1848-1898**  
**SOPHIA ELIZABETH MAIROSE      1850-1936**

John was 25 years old when he married Sophia Mairose. They are listed in the Fayette County, Illinois Marriage Record '821-1877.

John A Borchelt and Sophia E. Meyerrose, by proclamation of banns, both of age, M, 29 Feb. 1873, by A P Fedderson, M.G. Bk Old A, p. 139, l. 13, N at St Peter's Church. Cert. Says John Henry Borchelt Sophia was born in Germany and she was six months old when she came to America in 1851. It took six months to arrive in America.

In 1869 twenty-six German Immigrants established St. Peter. On 1873 the first enterprise was established. William Kurtz acquired 5 acres of land in the NW corner of section 23 from John H Borchelt for a blacksmith shop. In 1895 J. H. Borchelt (Henry), Mrs. A.M. Borchelt, Wm. Hollman, Paul C. Zimmer had the town site surveyed and they laid out the town in lots. In 1894 the Johnston brothers of St. Elmo constructed the Chicago and eastern Illinois Railroad across the east side of Fayette County. St. Peter was incorporated as a village on September 22, 1909. St Peter was founded with land bought from the Chicago and Eastern Illinois Railroad.

St. Peter-about 1897

After they were settled they employed a pastor from Old Loogootee to serve them every two weeks. Early services were conducted in the Rauchman School about three miles northeast of St. Peter. Services were also conducted in the Jacob Jahraus home about three and one-half miles southwest of St. Peter. Twenty-six members of the St. Peter community organized a congregation and decided at once to build a church and to call a pastor to serve them. The church building was to be 30X50X14 feet. The 26 charter members included John H. Borchelt and a Heinrich Borchelt. Mr. Samuel Fogler donated Ten acres of land to the group on May 25, 1869. On this tract was located the church, school, teacherage, and church park. The first pastor called was Pastor Schnurre of the Illinois Synod. This arrangement was temporary. On January 22, 1871 Pastor Fedderseb was called as their first resident Pastor. The first elders were John H. Borchelt, Jacob Jahraus, and Henry Buecker. In 1875, when Rev. C. F. Brecht was Pastor, the congregation transferred from the Illinois Synod to the Missouri Synod. A second church was built 1894. Mrs. Anna Borchelt donated land on the south side of Rt. 185 for this building. In 1921 and 1941 Anna J. Gehle donated land for parking. The first person buried in the old cemetery was Mrs. Louis Schaffer.

St. Peter's Lutheran Church- 1894

Sanctuary

The first school building erected in this township was built in 1857 from rough logs in Old Loogootee. In this township the Lutheran Church was very strong so they had two Lutheran schools, one in St. Peter and one in Meyers. The Christian Day School was started in 1872 in St. Peter. The boys and girls of that day wore homespun clothes, sat on wooden benches with out backs. Slate and slate pencils were their only means of writing. An old hickory switch hung menacingly above the master's head. German was the main language taught at the Lutheran school. The children would play "Drop the Handkerchief," "Blackman," and "Two sided Ball."

Johann and Sophia's house in St. Peter, Illinois.

Borchelt Farm Harvest Time

John and Sophia lived on a farm next to his father's farm. It was just outside St. Peter, a little south of town. Johann Heinrich Borchelt was a farmer and very active in the Lutheran church. The reason he wore a beard was due to the fact that he was kicked in the face by a mule. Sophia just laid the skin flap back in place and it healed on its own, but left a big scar that caused one side of his face to wrinkle. He died at the age of 50. Sophia and Johann apparently met while they lived in Washington County. Mrs. Herman Hassebrook, living in St. Peter, asked Sophie if she could come to help her with the children and household chores. She accepted the aunt's plea and came to St. Peter where she became reacquainted with John Henry Borchelt. They were married on February 20, 1873. Witnesses were Emilie Borchelt and Wille Bahde.

In 1882 John and Sophia bought their first small farm machine, which as called "the little Minnie." This machine dropped a bundle of straw and five persons bound or tied the bundles, and two people shocked. Next came the two binder, a machine that had a platform on which two people stood to bind the bundles and to clear the machine. The threshing machine operated with four teams of horses, which were driven in a circle, the boon then operated the machine. It was always a common practice for the neighbors to help each other with the threshing. It was common for them to wear wooden shoes to work out in the fields.

At home they played dominoes and a card game called "Solo." The object was to get four cards of the same kind, which constituted a book. Croquet was also a popular game. When the girls were quite young they learned to knit, weave goods such as carpets and rugs. They also learned at the age of six to piece quilts.

Fruits and vegetables that were harvested were buried in the ground. They did not have cellars in the early years. When they needed any of the items buried they would just go out and dig them up. Their meals just consisted of plain food and common meals. They did eat heartedly as they did work hard each day.

Her granddaughter Elda (Von Behren) Jarand wrote this account about Sophia Mairose Borchelt. Sophia moved to a small house, after Johann died in 1898, across the drive from us. After Johann death she would only wear black, navy, gray, or brown clothes, no bright colors. I don't ever remember her wearing a winter coat; it was always a black woolen shawl. She had breakfast at her place, but would have the other two meals with our family. She always thought it was her duty to do the dishes, so my sister and I would clear the tables and left the rest to her. I was thirteen when she moved in with us and it was after my father died. She learned to read English when my older brother started school, they read together. She read a lot. I remember her sitting in her rocker and reading. She spoke very good English, but she and my mother would converse in German. She was very easy to get along with. I remember Uncle John coming to see her after she had had a stroke, and as he came out of the room; he said, "Well, the old gray mare ain't what she use to be". My mother cared for her as she became bedfast until she died. I would help her at night and on weekends, as I was in High School between junior and senior years.

On Sunday Anna Marie quite often prepared dried apples and a few prunes with rice. In the evening they often had milk soup or rice soup. Sometimes she would mix eggs and flour together, roll until it was fine and then a soup would be made in it. They steamed bread—made with egg, milk and raisins. This was considered a special treat.

Anna Marie would spend many hours spinning their cloth from which they made their clothes. They also had to make their own candles. John and Anna Marie were the first to own a spring wagon. It was a large one. One of her favorite hymns was the first two verses of "Herr, es ist von Leben" "Gracious God, Again is Ended".

In 1873 the Borchelts built a large home near St. Peter church. Teachers would board at the Borchelt home for a dollar a week. This would include room, board, and laundry. Also many children, who were taking catechism instructions, would stay over at the Borchelts at night. Marie Louise "Emma" Borchelt said that they had a lot of company. Those that came over more frequently were William Hollman, Henry Miller's mother, Mrs. Kurtz, Mrs. Gluesenkamp, and Louisa Scheer.

In 1906, when Anna Marie was 78, she had her first stroke. She had gone down into the cellar of her home to get some pears. Her granddaughter Emilie Hartmann found her. Charlie Hartman, her son-in-law was one of the persons who helped care for her. Also at the time she was dying she requested that Meta and Martha be called from school, since she was especially fond of these two granddaughters, and wished to see them.

*Gracious God, again is ended  
Of my life another day.  
Show me where I have offended  
Where I faltered on the way;  
Let me by Thy grace divine  
View this sinful life of mine.  
Calmly, as the day now closes,  
In my love my soul reposes.*

FRIEDRICK WILLIAM (BILL) BORCHELT 1857-1928  
ANNA MICHEL 1862-1928

Friedrick William (Bill) was born in Washington Co., IL. He moved with his brothers and sisters to St. Peter area in 1867. He married Anna Michel on March 20, 1886 in St. Peters Lutheran Church. They lived in St. Louis in 1892 and Altamont, IL from 1896-1901. His son George left home when he was 17. Sometime after 1905 Bill moved his five sons and two daughters to Iowa Park, TX where his son George, was living. In 1909 George moved to Mercedes, TX in the Rio Grande Valley, and Bill and his family moved there in 1910. Bill had a crew drilling oil for him, but because of a flu epidemic, he lost all that he had invested. Later, Bill, George, and his brothers, invested in a creamery, which had an ice cream and an Orange Crush bottling works. The creamery was destroyed by a hurricane in 1933. It was not insured. After this the sons each went into different jobs. George became a plumber; Cornie operated an ice plant and a Stokleys Canning plant. This vegetable packing plant was started in 1946 that was a co-op of farmers. There also was a cotton gin. They shipped goods from the valley to Northern states. This lasted until 1949. Walter, age 27, was killed when a train hit his milk truck in 1922. Martin went to Colorado and worked in a packing shed that iced train boxcars that were used for shipping fruits and vegetables. Eric worked for Humbel Oil Co. Both Bill and Anna died in 1928 only a few months apart.

MARIA CATHERINE W (EMILIE) BORCHELT	1860-1938
WILLIAM BOYE	1849-1881
CHARLES HENRY HARTMANN	1861-1930

William F. Boye and  
Maria Catherine W (Emilie ) Borchelt

Charles Henry Hartmann

Emilie Borchelt married William Boye on November 8, 1877. William died in 1881 leaving her with her daughter Anna only a few weeks old. Charles Hartmann's father was injured in a accident while he was at work at the railroad. He caught his foot in a railroad switch and he could not extract his foot before the engine hit him crushing his right leg to his hip. He died 3 days later. This happened outside Ft. Wayne, IN. Charles was only 2 years old. Charles also had two brothers. He went to live with his Uncle Auer. Because he was treated badly, Henry Bahde brought him back to work for John Boye as a hired hand. Emilie was living with her in-laws, John Boye's, after her husband had died. This is where she met Charles Hartmann; they were married on March 4, 1886. They had 5 children.

Emilie liked quilting and needlework. She always had a quilt on the frame in her living room. She also was a very good cook. They first lived  $\frac{1}{2}$  mile north of St. Peter, IL in a three room home. As the family grew Charles decided to build on the east side of house. He took a team of horses and wagon to Farina, IL. lumber yard and hauled enough lumber home to add two rooms onto the house. This house still stands there today and is where Erich and brother Leroy lived with their parents.

MARIA CATHERINE W (EMILIE)<sup>5</sup> BORCHELT (*JOHANN HEINRICH*<sup>4</sup>, *JOHANN FREDERICK*<sup>3</sup>, *JOHANN HENRICH*<sup>2</sup>, *JOHANN HEINRICH*<sup>1</sup>) was born July 17, 1860 in Elkhorn Prairie, Washington Co., IL, and died November 22, 1938 in St. Peter Fayette County, IL (old). She married (1) WILLIAM F BOYE November 8, 1877, son of JOHANN BOYE and ANNA WENDELER. He was born December 16, 1849 in Washington Co., IL, and died August 4, 1881 in St. Peter Fayette County, IL. She married (2) CHARLES HENRY HARTMANN March 4, 1886, son of ADOLF HARTMANN and FREDERICKA SPANA. He was born July 3, 1861 in Ft. Wayne, Allen Co., IN, and died July 11, 1930 in St. Peter Fayette County, IL.

**AUGUST FREDRICH BORCHELT** 1866-1953  
**LOUISE LISSETTA WILHELMINA BAHDE** 1867-1938

August Fredrick Borchelt was born March 12, 1866 in Washington Co. IL. His parents were Johann Heinrich Borchelt and Anna Maria Schmalgengerd. At about 1 year of age he moved with his family to Fayette Co. His father died when he was 12 years old. Johann Heinrich died intestate so August's older brother William served as his guardian.

On September 10, 1891 August was married to Louise Bahde by Rev. W. H. Heumann at St. Peter church. August Mueller, Minnie Gehle, John Borchelt, and Anna Bahde were witnesses.

Louise Bahde was born in 1869 in Fort Wayne, Indiana. She was the daughter of Ernst Dietrich Bahde and Auguste Prange. At a very young age she moved with her family from Fort Wayne to the St. Peter area.

After their marriage, August and Louise lived with August's mother, Anna Maria. During this time meals were prepared and served in their home to the construction engineers and management personnel of the railroad as construction progressed through the St. Peter area.

On October 2, 1899 August and Louise bought about 4 1/3 acres from August's mother where they built their home and lived until their deaths. This property was across the street from blocks 7 and 14 and south of the highway on the east side of St. Peter.

August and his oldest brother John Henry started a business known as Borchelt Bros. Early papers indicate they were at least in the lumber and grain business. After John Henry died in 1898, August continued in business alone. Over

the years, while always in the lumber and grain trade, as opportunities arose, lines were added or dropped depending on markets. For instance, in the earlier years hay was purchased and shipped until the automobile made this unnecessary. During another period, cattle were also purchased and shipped. During the 1940s, a building known as the "seed house" was built. Redtop seed ( a small grain about the size of blue grass seed) was purchased from the local farmers, cleaned in two large machines, sacked and shipped.

August was always in banking. He served as an officer of both the First National Bank and later the First State Bank after these two banks merged.

In the last years of his life, after the death of Louise, August turned the business over to his son Arthur and his son-in-law George Schnake. He would, on a number of occasions, drive and spend a week or two with the families of his other son Otto and his two daughters Esther and Leona.

JOHN HERMAN HENRY BORCHELT 1873-1966  
AUGUSTA JOHANNA LOUISE GEHLE 1875-1964

John Herman Henry Borchelt was 24 years old when he married Augusta Johanna Gehle on October 14, 1897 at St. Paul's Lutheran Church with the Rev. John H Witte officiating. Witnesses for their marriage were Emilie Borchelt, Wilhelm Bahde, Anna Boye, and Heinrich Gehle. On October 28, 1897 J H Borchelt and Augusta J Gehle had their marriage license printed in the "Vandilia Union".

John Herman Henry Borchelt was 24 years old when he married Augusta Johanna Gehle on October 14, 1897 at St. Paul's Lutheran Church with the Rev. John H Witte officiating. Witnesses for their marriage were Emilie Borchelt, Wilhelm Bahde, Anna Boye, and Heinrich Gehle. On October 28, 1897 J H Borchelt and Augusta J Gehle had their marriage license printed in the "Vandilia Union".

Johann Hermann Heinrich Borchelt was born in St. Peter, Fayette Co., IL. He was the survivor of a twin, a girl, and was so small he only weighed 1½ pound. He was placed in the oven and the warmth from the water on the side of the stove kept him warm. That he survived without medical care was indeed a miracle. His brother George William died at age 1 year 3 months. His sister Wilhelmina Mathilde died shortly after her birth. He had three more sisters, Emilia Louise b. 1880 and lived to be 103 years old; Anna Maria Mathilda b. 1883 lived to be 86 years old; and Alvina Emma Sophia b. 1888 lived to be 92 years old. They lived on a farm outside of St. Peter. The farmhouse was white with a white picket fence surrounding it. They had cows, team horses, and raised corn. Transportation was by horse and buggy or a sleigh in the wintertime.

Augusta Johanna Louise Gehle was born on April 3, 1875 in Long Grove Township, IL. She had five brothers and two sisters. She was the only one born in IL. We don't know why her family moved from the Ft. Wayne area to the farm near St. Paul. Augusta was a member of St. Paul's Lutheran church in St. Paul, Fayette Co., IL; Pastor Schuricht confirmed her at St. Paul's on April 14, 1889. Pastor W.H. Heumann confirmed John Borchelt in St. Peters Lutheran Church in 1886.

We don't know how John and Augusta met or how long they dated until they got married. After they were married they lived on the farm near St. Peter until 1913. It is said that because the poison ivy was so bad at the farm they decided to move back to the Ft. Wayne area. All their children were born in St. Peter. Amanda, the only girl in the family, was 6 months old when they moved to Ft. Wayne. They lived on Taylor Street for two years. They then purchased a farm on Wallen Road north of Ft. Wayne. After two years they moved to a smaller farm. Amanda remembers that there was a creek running through the front yard of this farm. In 1925 they moved to 1921 Phenie Avenue, the first house north of Taylor Street. In the back yard they had a garden, grape arbor, and a couple of fruit trees. Augusta canned the produce that grew in the back yard. They made dandelion and grape wine.

John loved to fish, whittle, work with wood, garden, and play cards, Liverpool Rum, Pinochle, and Euchre. Fishing and hunting, especially Snow Birds, occupied his spare time. He would make "dough Balls" consisting of flour, salt, cinnamon, and water that he would roll into 1" by ½ " long balls and cover with cheese cloth. These he would hang and let dry and then use them as bait for fishing in the St. Mary's River. He also was a talented wood craftsman. He fashioned doll furniture and made patterns for grandma's quilts. He also played the harmonica and the fiddle. He would play the fiddle for square dances and even played it for their sixty-fifth wedding anniversary. Amanda remembers her mother and father doing the dishes, her mother washed them and her father dried them. He loved to chew Redman tobacco. As he got older he had trouble hitting the spittoon so Augusta would put newspaper from where he was sitting to the spittoon.

Augusta loved to quilt so there was always a quilt frame set up in the dining room. She was very active in church quilting and was an active member of the Ladies Aid of Emmaus. She also loved to knit and crochet. She didn't like to play cards with grandpa, but loved to play with the grandchildren. She was known to always give food to those less fortunate than they were when they knocked at her door as the railroad tracks ran close to the back of their house. She was a great cook and made especially great homemade bread.

John Borchelt worked for the Wabash Railroad prior to working at Frank's Retail Store. He was a night watchman at Frank's Retail Store downtown Ft. Wayne located on Calhoun Street for over 25 years. When he started working there, there were wooden sidewalks, brick streets, and horse drawn vehicles. He, as all the workers at that time, would take the streetcars for transportation. John and Augusta never owned a car so they would travel by a streetcar to go into Ft. Wayne.

Amanda remembers traveling to Oklahoma to visit a relative because her father had railroad passes. Wally, his grandson, remembers that when we lived on Indiana Avenue we could walk about 1 1/4 miles to grandpa's house on Phenie Avenue. My brother Don and I would go to Grandpa's on Saturday and he would give us each a weekly pass and we would ride the streetcars all over the City of Ft. Wayne. We would spend over three hours riding the streetcars. This took us downtown, past the courthouse, the industrial areas, over Main Street, Calhoun Street, State Street, Oxford, Jefferson, South Wayne, Broadway, and Taylor.

He also remembers when his dad and grandpa came home after dark from a fishing trip. We lived in a house on Indiana Avenue and it had a side door, which led to the basement, and also at the door entry a set of steps went up to the kitchen. I was in the dining room and I heard them come into the house. When I came into the kitchen and looked in the sink there was a fish as long as the single bowl sink. I was six years old at the time and to me it was a fish to behold. Grandpa had caught the fish while dad was rowing the boat in and Grandpa was ready to pull his line in and here this big fish was on the line. It was nice to hear grandpa talk about his catch. It was called a Sucker and had its mouth at the bottom of its head. Dad cleaned it and mom cooked it.

Dad and Mom would rent a tenement farm home at Atwood Lake in the summer and my mother would can food in ball canning jars. We would take these to our Hanna Home about every two weeks and mom and we children would put all the canned jars on a shelf in the basement. Well at the end of summer all the jars were full and because of all the weight on the shelves one of them broke. This caused three more shelves to fall also. When we picked up the jars only two of them had broken. We placed them all on the basement floor. When dad came home and saw what happened he brought grandpa over the next morning. (Grandpa worked night shift at Franks.) Grandpa took measurements for wood he would need to rebuild the shelves. When I came home from school that evening the shelves were all rebuilt. All we had to do was put the jars back on the shelves.

One time Grandpa was in the hospital. He called Waldemar and told him the doctors were no good and the medicine wasn't any good either. He was in an oxygen tent and whispered that apricot brandy was under the pillow. He took some and when Waldemar called him again he said "Wally is that you?" Come and get me. That apricot brandy did the trick.

John lived at the house on Phenie St. for a short while after Augusta died after breaking her hip and not recovering after the surgery was done in 1964. He became a resident of Kendallville Lutheran Nursing Home and died there in 1966.

**WALDEMAR HEINRICH BORCHELT** 1898-1974  
**HILDA MARIE BERNHARDINE EMMA KOENEMANN** 1900-2001

Waldemar Heinrich Borchelt was born in St. Peter, Illinois on June 2, 1898. He was the firstborn son of John and Augusta Borchelt. When he was twelve years of age the family moved to Ft. Wayne, Indiana. He graduated from Emmaus Lutheran School and was confirmed there. He could sing and do solo in church when he was in grade school. He attended International Business College in Ft. Wayne. He was a manufacture sales representative for Bendix during 1939 until the world war started in 1942 and he had to take a job in South Bend, IN. He worked areas

in northern Indiana, in southern Michigan, and northern Ohio. He was a natural engineer. He worked for the Gray Company as an Automotive Sales Representative until he went to work for Zion Lutheran Church on Hanna street. He was manager of finances for the church for twelve years. He said it was the best job he ever had. He worked from 1960 to 1972 for the church. He received a modest pension in appreciation and thanks.

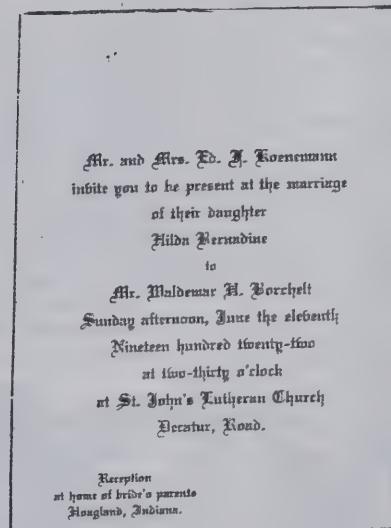

He loved to go out in his rowboat and fly cast at dusk and enjoyed swimming. Playing cards, bowling and croquette were some more of the things he really enjoyed. He liked to garden and had a garden in their back yard on Hanna Street. Waldemar loved his Webster Fancy Tail cigars.

He loved to play ball and was a pitcher; it was at a Walther League ball game he met his future wife, Hilda Marie Bernhardine Emma Koenemann. Jim, one of his grandson's, remembers that his Grandpa was a Tiger fan. He would listen to the games with him and remembers when, in 1968, the Tigers won the World Series over the St. Louis Cardinals.

He married Hilda Marie Bernhardine Emma Koenemann on June 11, 1922 in St. John's Lutheran Church in Bingen, Indiana.

Their first home was located next to Hilda's parent's home in Hoagland, Indiana. They lived at various homes during their married life and finally bought a home at 2431 Hanna Street in Ft. Wayne, Indiana in 1938. They remained there until 1963 and then they moved to Warsaw Street where Waldemar and Hilda lived until he died in the Parkview hospital on February 12, 1974.

Hilda was born on October 12, 1900 in Hoagland, IN. She was the third child of seven. She had three brothers and three sisters. Hilda loved to can and treated each jar as a work of art. She set a beautiful table, kept an immaculate house, taught each child their household tasks, made the children feel wanted, useful and respected. She focused on God and His gifts of love and forgiveness in Jesus. She was a great seamstress. While at Atwood Lake she enjoyed riding in the boat and fishing, did not like to swim. She had a great love of flowers. She was very active in the Ladies Aid at Zion Lutheran Church. She remained a member there until her death in the Lutheran Home in 2001.

Hilda and Wally would go up by electric train to Rome City for the dances they held. It was a popular spot for young people. Here is a picture of Wally sitting on a quarter moon taken when he took Hilda to a dance at Robinson Park in 1917.

Wally cut all the boys hair, first starting using a hand clipper and then in time used an electric barbers clipper. On Sundays Wally would read the colored funnies to the younger children. He could sketch pictures of animals as the children requested them. He took the family to various fairs and outdoor movies. He frequently brought home Tompkins ice cream from the local store on Pontiac Street. His favorite flavor was vanilla.

In 1928 he slipped on ice and injured his knee. An infection occurred and his knee froze in place. Around 1937 he had a broken hip from a fall, while he was in Kalamazoo, Michigan, and was in the hospital in Kalamazoo for two months. Around 1956 at a function at Concordia High School he had gotten dizzy and fell hitting his head. He was in another town when he went into a coma and it was in that hospital that they discovered he had Addison's disease. He was started on cortisone at that time and had to take it the rest of his life.

Hilda and Waldemar rented a home on the Atwood farm for quite a few summers when all the children were still at home and until leaving the older ones at home became a problem. Atwood Lake is located near Wolcottville. The children learned a lot of the joys of lake life and worked on the farm learning the gathering of eggs, growing a garden, taking care of the cows, and enjoying just being together as a family. The family also spent three summers at Diamond Lake, Cassopolis, Michigan.

After the children were gone he and Hilda bought a trailer and spent time on Gunn Lake, Michigan. They then moved the trailer to Atwood Lake directly across from where they had rented the home at Atwood Lake. They really enjoyed the quietness and fun at Atwood Lake. Waldemar decided to have surgery on his knee in 1974; but because of post-op complications he died in Parkview Hospital, Ft. Wayne, Indiana, February 12, 1974.

### CRASHING THROUGH

Imagine the surprise of W. H. Borchelt, of Fort Wayne, Ind., when this chunk of wood came smashing through his windshield as he drove through Ann Arbor. The chunk, 16 inches long and four inches thick, apparently was hurled by the wheel of another car. Borchelt was unhurt.—AP Wirephoto.

HERBERT HEINRICH CARL BORCHELT 1906-1981  
ANITA MINNE HAUG 1909-1995

Herbert Heinrich Carl Borchelt was born August 15, 1906 in St. Peter, Illinois. He was seven years old when he and his family moved to Ft. Wayne, Indiana. They lived on Taylor Street for a short time and then moved to a small farm on Wallen road, north of Ft. Wayne, Indiana. They then moved to a smaller farm, but eventually bought the house on Phinney Ave. Herbert attended Emmaus Lutheran School and was confirmed there. He took pre-ministerial courses at Concordia High School in Ft. Wayne, Indiana. He took night school courses after taking employment with GE on Winter Street as a cost accountant.

He married Anita Minnie Haug on September 6, 1930. She also worked at GE. After they were married they lived with her parents on Hanna Street, Ft. Wayne, almost directly across from Hilda and Waldemar Borchelt. Around the time Herbert E was born, they moved to 3526 John Street, Ft. Wayne. He and Anita were in several card clubs, playing euchre, canasta, pinochle and bridge. They celebrated their 50th Wedding Anniversary with family and friends present about a year before Herbert H died. Anita lived to be eighty-six years old.

Herbert H liked to bowl, play softball, golf, but especially liked fishing. Fishing vacations were at Atwood Lake, Adams Lake, Pretty Lake and later at Big Star Lake, Michigan and Plum Lake, Wisconsin. He mounted a six-pound bass he caught at Big Star. He was returning from ice fishing on Pearl Harbor day when he had a car move into his lane, which made for a doubly memorable day. While playing softball he acquired the nickname "Windy."

During WWII he took his security clearance to work as accountant at Kunkle Valve, Ft. Wayne, a family owned business. Besides financial he also managed the foundry and pattern shop.

While members of Bethlehem Lutheran Church he held some church positions. Herbert H was quite handy. He designed and installed his own garage door opener in a time when few were being used. He exchanged the push pedal drive in Herbert E's toy car with a sprocket and chain drive that made the car the fastest on the block. It also had lights that worked. He installed a garage door opener and garbage disposal for his son Herbert.

Herbert Eugene b. Oct 8, 1933. He attended Sunday school at Emmaus. He remembers watching his father usher at the church services. He attended kindergarten at L C Ward P.S. and then first grade at Bethlehem Lutheran School. He attended Concordia Lutheran High School and after graduation attended Concordia Jr. College and graduated from Concordia Seminary, St. Louis, Missouri in 1958. He married Mary Jean Alpers b. David Arthur b. August 5, 1938 also attended Bethlehem Lutheran School. He was quite good at basketball and Bethlehem had a good team when he was in 8th grade. David also attended Concordia Lutheran High School. He graduated from Purdue, West Lafayette. He married Sally Suzanne Leapley b. January 14, 1938 on November 30, 1963. They have two children, one boy and one girl.

Herbert Heinrich died June 19, 1981 at the age of 74 years of an abdominal hemorrhage.

Hebert E remembers one comment that has always stuck with me, "Some of the finest music in the world has been written for the church."

*I thank God for my parents--His gift to me."*

AMANDA AUGUSTA EMILE BORCHELT 1912  
GEORGE GIBSON CARTER 1917

Amanda Borchelt-confirmation

Amanda Augusta Emile Borchelt was born in St. Peter, Illinois on December 14, 1912. She was the last child of John and Augusta Borchelt, and was the only girl among her four brothers. She was 6 months old when they moved to Ft. Wayne. They lived on Taylor Street and she attended Emmaus Lutheran School grades one and two. The family then moved to a farm on Wallen Road north of Ft. Wayne. Amanda attended a one-room country school for grades three and four. The family then moved to a smaller farm. She remembers a creek running through the front yard. She commuted by interurban each day to attend Emmaus Lutheran School for grades five and six. In 1925 they moved to 1921 Phenie Avenue, the first house off of Taylor Street. Amanda was confirmed at Emmaus Lutheran Church and graduated from Emmaus Lutheran School in 1926. At the age of fourteen she enrolled at the Luther Institute (a business college) and graduated in two years at the age of sixteen. She obtained work at General Electric Company as a file clerk and advanced to supervisor of accounting until November 1945. She played golf on a regular basis with friends from work.

In 1945 she decided to try making it on her own, so she transferred to General Electric Company in Los Angeles, California. In 1945 Amanda met George Carter (tall, dark, and handsome). They married Sept 2, 1950. In 1951 they bought two and one half acres near Lancaster, California. They built their own house physically from ground up. George also built a chicken house and raised chickens. Amanda wasn't much help as she was pregnant and working with General Electric at Edwards Air Force base. The chicken business didn't turn out well. John and Augusta Borchelt visited them in 1956 and John helped build an addition to their home.

When son Jeffrey was born, April 6, 1952, George went to work at Edwards. This was not his cup of tea so he became an agent with Farmers Insurance Group in Lancaster. In 1963 he was made District Manager for Farmer's Insurance Company and moved to Tucson, Arizona. They bought a model home all furnished in an area called "Rolling Hills." They were written up in the newspaper showing them sitting in the newly furnished home.

In 1985 George and Amanda moved to Lapoloma, located in the Tucson foothills, and lived right next to a golf course. Needless to say much of their time was spent on the golf course as they both loved to golf.

George and Amanda have taken a number of cruises and seen different parts of the world, such as Alaska, Panama Canal, Greece and Hawaii. On May 8, 1999 they moved into an apartment at the "Forum," an adult living community. Amanda still plays bridge with the women of Lapoloma where they once lived.

Jeffrey became an attorney of Business Law. He married Ginger Jackson and they have two children, Taylor and Alexa. He decided that he didn't want to do Business Law any more so he and his parents bought a shopping mall and he now manages this mall. Ginger was selling and collecting antiques, but now is into estate sales and has made a business of this. Jeffrey and his family still live in Tucson, Arizona.

**RAYMOND EDWARD JOHN BORCHELT 1923  
BEVERLY LOUISE DELP 1924-1981**

I, Raymond Edward John Borchelt, was born November 5th, 1923 in Ft. Wayne, IN in the Lutheran Hospital. I was confirmed and graduated from Emmaus Lutheran church and school. In 1941 I graduated from Concordia Lutheran High School. I was expecting a draft notice at any time having turned 19 in November of 1942.

I met Beverly Louise Delp at a party on Friday, November 13, 1942. Her cousin Carolyn Plummer brought her there. Beverly Louise Delp was born on February 20, 1924 in Garrett, IN. She grew up in Kendallville, IN and graduated from Kendallville High School in 1942. She moved to Ft. Wayne, IN and took a job at G.E. She lived with an Aunt and Uncle and two cousins in Ft. Wayne. We began dating and on February 5th, 1943 she accepted a diamond. I also received a notice for the draft the same month. On February 11th I reported for the draft and on February 12th, I was sworn into the Navy, returned home, and then reported for duty at the Great Lakes Naval Station on February 22, 1943. I was stationed in Corpus Christi, Texas. Beverly sold her bicycle, purchased a train ticket and came to Texas where we were married on Saturday, November 13, 1943, in St. John Lutheran Church. I spent 34 months in the Navy. In December 1945, I was released by the Navy, came home, and went back to work at G.E. In 1951 I graduated from International Business College. I then went to work for ITT Corporation and worked for them for 36 years. I retired in 1987.

Beverly was a busy wife, teacher and caregiver. She loved her violin and music. She gave lessons and played in a community orchestra and was also in the Ft. Wayne Philharmonic for 13 years. She played in many churches, for weddings and with the choirs. She was a choir member for many years. In 1978 she was diagnosed with cancer and after 28 months of battle, died October 2, 1981. She was a great wife and mother. One who knew and loved Jesus.

Our first born child, Ray Lee, was born on February 15th, 1946, Bonnie Lou was born November 6th, 1947, Larry Allen was born May 2, 1950, BevAnn was born April 13, 1952(Easter), Karen Sue was born August 9th, 1954, Donald John was born November 23, 1957, and Timothy Edward was born January 18, 1961.

I currently have 11 grandchildren and 4 great grandchildren.

In Sept 1945 I went to Valparaiso University, graduating in 1948 with Physical Ed and Biology majors and a teaching degree for secondary schools.

I taught all eight grades 1 year in SD; Jr. High for 6 years in El Ceritto, CA; substituted for 10 years in So. I returned to the state of Indiana in 1969 to become Pastor of St. Paul's Lutheran Church in South Bend, IN and retired from there in 1989. In 1989 to 1990 I returned to California to serve our former Richmond Church as a volunteer retiree. LUCILE CLARA ELVERA BORCHELT 1926-1977  
THOMAS EDWARD DOWNEY 1923

Lucile Clara Elvera Borchelt was born at home on Fox Avenue on August 6, 1926. At a birthday party for her sister Martha, in 1936, her dress caught fire from a candle that had been placed in a gumdrop arranged around a play table. She was severely burned under her arm from the elbow up to her armpit and down the right chest. She was taken to the burn unit at the Children's Hospital in Indianapolis, IN where she lived for over a semester. She continued with her school while there. Because she could be up and around she helped with the other patients where she could.

After graduating from Concordia Lutheran High School in Ft. Wayne, she became a registered nurse. She took her training at Indiana University Medical Center, Indianapolis, IN., while in the army reserves. She met Thomas Edward Downey while he was attending Purdue University. He was born on June 20, 1922.

She worked at the Lutheran Hospital in Ft. Wayne, IN. She and Tom were married on May 22, 1948 in Zion Lutheran Church, Ft. Wayne, IN. Pastor Charles Felton, her brother-in-law participated in the service. They resided on John Street while in Ft. Wayne. They had four children: Gale was born 11-26-1949; Janet was born 8-19-1952; Jill was born 10-2-1962; and Daniel was born 8-24-1965.

Tom later inherited his parent's farm in Tennessee. After trying farming Tom decided he did not like it so he and Lucile went to a missionary training school in Columbia, S. Carolina. They then sold the farm and moved to Philadelphia, PN., where he opened a Christian Bookstore. He later acquired two more Christian Bookstores.

In 1976 Lucy was diagnosed with breast cancer that had metastasized. She died in Philadelphia on December 7, 1977. Her funeral was held in Ft. Wayne, IN. and she was buried in Covington Cemetery in Ft. Wayne, IN.

She has two grandchildren.

DONALD OTIS BORCHELT 1928-1955

Donald Otis Borchelt was born in Ft. Wayne IN. He attended several Lutheran grade schools but graduated 8th grade from Zion Lutheran Grade School. As a child Don had several bouts with Pneumonia, and the fact that he survived each time was a gift from God. They did not have antibiotics in those days. He was known for his inquisitive mind, as he wanted to see how things actually worked. He was known as the puzzle-working champ.

Don graduated Concordia High School in 1946. While in high school he helped build a motorboat in shop class and then had to have the exit enlarged to get the boat out of the building. He joined the Navy in 1946 and served for two years. He then went to Valparaiso University on the G.I. bill for a degree in Civil Engineering. When practicing football he broke his leg. He also helped build an engineering building for junior and senior engineering classes so that they wouldn't have to transfer to Purdue University. He also designed and helped build a room addition at a Fraternity House. Don was very artistic; he drew cartoon characters and would cut them out of wood and then paint them.

When he was a junior he was recalled to the Navy. Back in the service in the Navy Air Corps he became a jet pilot and was stationed on the aircraft carrier, SS Enterprise. He was able to visit the Holy Land while he was stationed in North Africa in the Mediterranean area. After duty on the aircraft carrier he was stationed at Norfolk VA and was an instructor pilot. He was killed in 1955 while on a training flight. The crash was due to metal fatigue. He also was a pilot with the Blue Angels.

WALLACE CLARENCE BORCHELT 1930

RETA LEE SCHEELE 1947

Wallace Clarence Milton Borchelt was born at 6:30 PM on May 16, 1930 in Ft. Wayne, IN. and was baptized on 6-22-1930. I was the fifth child born into the Waldemar Borchelt and Hilda Borchelt (nee Koenemann) family. I attended several Lutheran Grade Schools, but graduated from eighth grade at Zion Lutheran School in 1944. I raised rabbits in the family garage on Hanna St., carried paper route, set pins at bowling alley, and worked at Glen's meat market during the years-1940-1947. When the workers from Hildebrand Heating came to reset our Holland coal fired furnace I helped clean up the mess and when they came back the next day to finish the job I had all the parts and area completely cleaned up. They said if I wanted a job in the fall I should come and see them. I did and was hired at 25 cents an hour in Sept of 1947. I still had one more year of high school. I graduated from High School in June of 1948. Started my apprentice job June of 1948 at Hildebrand as a sheet metal apprentice and completed it in May of 1951.

In 1947 I was President of the Ft. Wayne Lutheran Athletic Committee. Ruth Strasser, a classmate of mine, of Emmanuel Lutheran church was appointed secretary of the committee. On December 20th, 1950 I asked Ruth Elizabeth Strausser to marry me, she accepted and we were married Feb. 4th, 1951. I was drafted in the U. S. Army on May 29, 1951. I did my basic training at Ft. Sill, Oklahoma. I was to be shipped overseas to the Korean War. I wrote my wife after we finished basic and told her there was no shipping out for 30 days. She arrived 3 days later and we spent 26 days together before I shipped out to Japan. I was a lineman and was put in the 8th Army Single Core and spent my time in Korea till May 1953.

I finished my apprenticeship in 1955 in sheet metal and air conditioning. Attended Indiana Institute of Technology 1955-1957. Became permanent at Hildebrand Heating and Plumbing from 1957-1962. Started my own company, W.C. Borchelt & Sons Inc. in 1962.

We bought our first home Fernhill Ave., Ft. Wayne, IN. We stayed there until 1964. In January 1964 we moved to 6332 Maplecrest Rd. W.C. Borchelts & Sons moved here in 1965.

Ruth and I had eleven children: Edwin 1952, Phillip 1954, Ellen 1956, Pauline 1957, Yvonne 1959, William 1961, Lora 1962, Jennifer 1963, Benjamin 1968, Rebecca 1969, and Sarah 1973.

Ruth was diagnosed with colon cancer in 1994 and died June 6, 1995 at age 65. It was a sad experience for all the family. Ruth and family had a great life with love and cared for one another.

We now have 33 grandchildren and 3 great-grandchildren.

KENNETH PAUL BORCHELT 1931  
LOIS ARLETTA MANNE 1934

I, Kenneth Paul Borchelt, was a birthday present, born on my mother's birthday, October 12, 1931 in the home on Fox Avenue. I was baptized in Emmaus Lutheran Church. I attended different Lutheran Schools, but graduated from Zion Lutheran School in 1945. I had a paper route with the Journal Gazette for about five years.

I was only 4 feet nine inches tall when I started Concordia Lutheran High School. It was in the summer of 1947 that I fell from the running board of a car and was unconscious for four days in a hospital in Dowagiac, MI. In my senior year at Concordia I worked for Western Union and also joined the Naval Reserves. I graduated from Concordia Lutheran High School in 1949.

I joined the Navy May 9, 1950. In April of 1951 I sailed a troop ship to Japan and was stationed in Sasebo. For two years I managed a small operating room. I was honorably discharged on March 17, 1954.

After discharge I worked for a year at the Veteran's Hospital in Ft. Wayne. During the summer of 1955 I carried mail. In the Fall I was offered a full time job, but was going to the Ft. Wayne LU.Center, and decided to become an elementary teacher. As a side job I also sold Cutoo Cuttery.

I met my future wife, as a result of my sister, who was in the same nursing class. It started out as a blind date that led to more dates. We were married on December 10, 1955 in Grand Rapids, MI. Our original date was to be November 26, but due to the unforeseen death of Ken's brother, Don, we had to postpone the wedding.

I, Lois Arletta Manne, was born on August 15, 1934, at home on Silver Avenue, Grand Rapids, MI. I graduated from Immanuel Lutheran School in Grand Rapids, MI in 1948 and from Union High School in 1952. I attended the Lutheran School of Nursing, Ft. Wayne, IN., and graduated in 1955. I worked at the Lutheran Hospital from 1955-1956. While Ken attended I.U. I worked at the hospital in Bloomington, IN for two years.

After Ken graduated in August of 1957, with a BS in Elementary Education, we moved to Garrett, IN. where he had his first teaching position. We rented a house. I worked at the Catholic Hospital in Garrett until it closed in 1959. I worked at Parkview Memorial Hospital for one year until hospital reopened in Garrett as a community hospital. Ken took classes at Ball State in Muncie, IN in the summer of 1958 so I worked in Muncie Hospital for that summer. Returning to Garrett we purchased a 10x45' trailer which was placed on a corner in a field of a farmer. Ken graduated from Ball State University in August of 1961 with an MA in Elementary Education. We moved the trailer to Deep River Trailer Park near Gary, IN in 1961 and I started working at Methodist Hospital in Gary. I worked there for 10 years. By the time we had our third child we decided we needed more space so we bought a house at 211 N. Delaware, Hobart, IN in August of 1963. I worked for St. Mary Medical Center in Hobart for 25 years and retired from there in July 1998.

Ken taught at Henry S Evans for 5 years, one year at Ivan Meister, and at Ridge View Elementary School for 25 years. While he was teaching he also worked 15 years on weekends and in summers at US Steel, Gary Works.

We had four children: James born in 1958, Daniel in 1960, Sharon in 1963, and Theodore in 1967.

We currently have five grandchildren, one step-grandchild, and one step great-grandchild.

MARTHA ANN BORCHELT 1932  
DONALD PAUL BIELKE 1932

I, Martha Ann am the 8<sup>th</sup> child of Waldemar and Hilda (Koenemann) Borchelt. I was born at home on Fox Avenue in Ft Wayne, Indiana on December 1<sup>st</sup>, 1932. I know my Grandma, Sophia (Meyer) Koenemann, told me that she delivered me and she cut the umbilical cord and tied it. I was baptized on Christmas Day at Immanuel Lutheran Church in Ft Wayne, Indiana.

I attended all eight grades at Zion Lutheran School and graduated from the eighth grade in 1947. I attended Concordia Lutheran High School. I belonged to the Girls Glee Club, was in several plays, a class officer, and High School Queen in my senior year. I worked at Wolf Dessauers, an elite department store in Fort Wayne at that time. I also worked at Wayne Candies for a spell. Baby-sitting for people and cleaned houses were also jobs I held. Valparaiso University was my choice of Universities to attend, again a Christian University. I did enjoy the two years I attended, but it was tough on me. I would work two jobs in the summers to pay for my tuition and then I always worked at the college to help pay for the tuition. I would cook for a group of girls to make my budget of \$15.00 a month stretch. I was HOBO Queen at homecoming one year. I met Don Bielke while I was attending the college. We decided I would quit and go to work to save money so we could get married. I worked for Aetna Insurance Company in the claims department. Then I got a better offer to work at Zion Lutheran Church as secretary. I worked there till we were married on August 21, 1954.

I, Donald Paul Bielke, was born on May 10<sup>th</sup>, 1932 on St. Paul, MN. I attended public schools, but was a member of the Lutheran Church along with my two sisters and parents. I had eight aunts and uncles to keep watch over me as I grew up. I had two claims to fame, one I was always the tallest and I was lieutenant for the crossing guard. Because of my athletic career I received a scholarship to attend Valparaiso University for basketball and track. After graduation I played for a pro basketball team, Zollinger Pistons of Ft. Wayne, Indiana. After I left the Pistons I worked for Wane radio station selling time to customers. In 1957 I accepted a coaching/teacher job in Oakland, California. We lived in Oakland for seven years, and in San Ramon for nine years. When the Concordia Oakland College closed I accepted a position at California Lutheran College in Thousand Oaks, California. We purchased our present home in Thousand Oaks on Corte Cancion. I retired in 2001.

I was a stay at home mom until Brenda was a sophomore in high school. I took on a job as receptionist at J C Penney Company located in our brand new mall in 1979. After two years I took a position with Mutual Benefit Insurance Company. I continued working at Penney's on weekends and worked for Mutual Benefit for 8 years. This helped the children while in college. Mutual Benefit close with severance pay and I went to work for Pruner Ambulance in the insurance billing department. I worked for them for eight years. They sold the business so I was out of work again. Now I was old enough to collect Social Security so I retired.

We have three children: Monica born in 1958, Kirk born in 1960, and Brenda born in 1964.

We now have three beautiful grandchildren, Major, Paige and Troy Bielke

CAROLYN JEAN BORCHELT 1934  
ROGER ALAN MACKE 1934

I, Caroline Jean Borchelt, (per Dr. G.A. Smith) was born at home at 2613 Indiana Ave. Ft. Wayne, IN as the school children were getting home from school on November 1, 1934. At my baptism, at Emmaus Lutheran Church, my mother and father named me Carolyn Jean Borchelt. I found out about this difference when I applied for my retirement SSC funds in 1997. In early grade school, I had a bout with polio leaving my left leg weak. A public Health Nurse came to our house on Hanna Street daily to massage and exercise it to complete health. In 1948 after meeting at a grade school basketball game, I had my first date with my future husband Roger Macke who took me on the city bus to the Embassy Theater to see the movie "Good News". In May of 1948, I was confirmed at Zion Lutheran church, as Roger was confirmed at Bethlehem Lutheran Church. We both graduated from Concordia Lutheran High School in 1952. In August of 1955, I graduated from the Lutheran School of Nursing.

I, Roger Allen Macke was born on February 3, 1934 in the Lutheran Hospital in Ft. Wayne, IN. I attended Bethlehem Lutheran Grade School and carried morning and evening papers 3 years while in grade school. I also spent most summers helping on my uncle's farm. While at Concordia Lutheran High School I played basketball, football, track, was 1<sup>st</sup> sergeant in the Military Department, and class president in my senior year. I worked at Allen Dairy in summers of high school. I attended River Forest College for 1 & 1/2 years, then joined the Air Force.

Roger and I were married on December 27, 1955 at Zion Lutheran church. Rog and I then moved to Southern Texas where I worked in both Dolly Vincent and Valley Baptist Hospitals, while he completed his time in the Air Cadet Program. A few days before his graduation, after his Officer found out we were married, he was allowed to finished his service year by life-guarding at the base swimming pool

In July of 1956 we moved back to Ft. Wayne, IN and lived with my folks till we moved to 3316 Beaver Avenue. American Steel Supply hired Rog and Carrie began employment at the Lutheran Hospital. Here we welcomed Kim (1957), Kip (1958), Kay (1959) and Keith (1961) into our world. In September of 1961 we rented a farmhouse on US 27 for 9 years and were pleased to welcome Kelly (1962), Kraig (1963), Krista (1965), Koleen (1968) and Kate (1970) into our busy life. During this time Rog changed jobs and started working as a Chemical Sales Representative for Sanfax Corporation where he worked until retirement in 2000. Most of Carrie's employment during these years was at the Lutheran hospital generally floating on the night shift to whatever department needed her. On New Years Eve day to 1970, when Kate was 6 months old, we moved to our present house on Flatrock Road, Hoagland, IN. There our youngest son Kevin (1972) was born.

While sending our children to Concordia High School, Carrie worked in various areas. Migrant nursing for 4 summers and an industrial nurse at K-mart Distribution Center along with a few nights at Lutheran kept her busy. After Kevin started school she worked at various Psychiatric facilities in the area including Caylor Nickel Hospital, Koala Center at St. Joseph hospital and Charter Beacon Hospital. For a year she did Red Cross work and as the nurse for the Head Start Program. Then for two years she worked as a visiting nurse for the Hospice program. From 1995 through 2002, she worked as a School Nurse for Meadowbrook Elementary School. While there, she and I lived for 20 months at the Blessing House (an Emergency Foster Care Program run by the Lutheran Church).

At present she is working at Parkview Behavioral Health three nights a week and attempting to keep up with her children and 32 grandchildren and 1 great grandchild and her volunteering husband.

Roger keeps busy maintaining their remodeled home, serving as Elder at new life Lutheran Church, and working for the Gideons in various Bible distribution programs and Church presentations.

When I started this Borchelt Genealogy Book I originally planned on doing it only for our immediate family. As I gathered information I became acquainted with more Borchelt descendants, which led to my including all the Borchelts I could in this project. Being able to meet some of our relatives of whom I didn't know personally gave me a more personal touch of their families. Through E-mail, the telephone, correspondence, and research I was able to obtain the information I did not have.

Paul Brauer was the one who started me on the journey of genealogy in 1994. He supplied me with his hand written information he had obtained on the Borchelt's. As the years went by Don Otto Borchelt and I began to exchange information. As I complied the book I learned that Ralph L Schroeder had done a lot of research, but because of his death in 1976, he was unable to get his book completed. After contacting the O'Dells in St. Peter they graciously allowed me to use his pictures and the information he had obtained.

I also want to especially thank all the relatives that sent me information and pictures about their families.

If you have any new information let me know.

Lois Borchelt
